Program Information

Swim Lesson Program: Swim lessons for infants through adults are offered at 18 sites throughout the City. Age appropriate class curriculum is designed to cover skills in a logical progression for optimal development. Each stage is challenging, but individualized so students gain confidence in their own abilities. **Classes will be held Monday through Thursday in two week sessions for either 30 or 40 minute blocks.**

Fee: \$55.00 (8 Classes per Session)

Class prerequisites: The prerequisite for each class level is the successful completion of the preceding class level skills. A child's age is a limiting factor for registration for all classes.

Instructors: Most classes will be taught by certified American Red Cross Water Safety Instructors. However, there may be circumstances that will require a certified Swim Instructor Aide.

During the Class: Please stay at the pool for the entire swimmer's class in case of an emergency where parental consent for care is required.

Class Discipline: We reserve the right to take children out of class when they are verbally or physically abusive to other students, instructor's or if they disrupt the class.

Class Minimum Requirements: All classes must meet the minimum number of participants requirement. If your class selection does not meet the minimum participant requirement you will be notified by phone prior to the scheduled start date, at which time you may choose an alternate class. **All classes that do not meet the minimum number of participants will:**

- ◆ Be combined with another level
- ◆ Be cancelled

Class Waitlist: One way to deliver quality service is by limiting the class size to provide an optimal student : instructor ratio. If a class has reached the maximum limit, names are placed on a waiting list and students are called as openings become available. Students will be notified by phone if the class is full and has a waiting list.

Class Status: To check the status of your class or to see if a class is full you can go to:

<http://austintexas.gov/departments/parks-and-recreation>
Please note you cannot register on-line.

Next Level: In order to advance to the next level, students must pass all skills listed for the particular level that the student is enrolled in.

Inclement Weather/Unforeseeable Circumstances Policy: Classes will not be cancelled due to rainy weather. In the event of thunder, lightning, or other unexpected situations such as mechanical problems, class will be cancelled and safety lessons will be conducted. If class is cancelled for a second day, the instructors will add 5 minutes to the end of the remaining classes to make up missed time. If class is cancelled for a 3rd day a make-up class will be held on Friday. For cancellation information, call the pool where your lessons are being held.

Entrance Fees: An entrance fee will be charged to swim/practice before or after lessons at Municipal Pools.

Lesson Tips

- ◆ Understand that children develop swimming skills at different rates.
- ◆ Bring an extra towel for students enrolled in Starfish 1 & Starfish 2 classes as swim diapers tend to retain a large amount of water.
- ◆ Bring a light snack and drink for your child since they are often hungry and/or thirsty after a lesson.
- ◆ Apply a UVA/UVB sunscreen with a SPF factor of 15 or higher at least 30 minutes prior to entering the pool for your lesson.
- ◆ Arrive at least 5 minutes prior to your scheduled lesson to acquaint yourself and your child with the facility.
- ◆ Be enthusiastic and support your child by praising their efforts in the pool.
- ◆ Provide additional practice time with your child during public swim or at home to increase their comfort level and confidence in the water.
- ◆ We recommend holding off on using goggles with your child until they are comfortable placing their face and head underwater. Goggles can be very beneficial to children who are swimming laps, especially if they experience eye discomfort. Please assist your child in adjusting their goggles before their lessons if you choose to use them.
- ◆ Water shoes do a great job protecting feet during hours of water play and walking on pool decks, but they hinder the development of an effective flutter kick. During lessons we recommend water shoes stay with your child's towel.

Registration Information:

The Instructional Swim Program registration process includes both registration and late registration time periods.

- ◆ **Registration Period:** Registration forms may be faxed, mailed or delivered in person to the Aquatic Office. In person registrations will be processed upon arrival, followed by faxed or mailed registrations.
- ◆ **Late Registration Period:** Registration must be walk-in only to ensure space availability and receipt confirmation prior to the first day of class. Registration forms received via fax or mail during the late registration period will not be processed.
- ◆ **Registration Forms:** Incomplete registration forms will not be processed upon receipt and you will be notified by phone to correct any problems. (i.e., no signature at the bottom of the registration form, no payment or incorrect class information). If contact cannot be made, the registration will be shredded in 5 business days.
- ◆ **Confirmation receipts:** Receipts will be e-mailed or mailed to the addresses provided on the registration form. If you do not receive a confirmation receipt within 5 business days, please contact the Aquatic Office.

Registration Made Easy:

- ◆ **Pick the appropriate age division and skill level.**
It is imperative that you register your child for the correct age and skill level, not the class time that is most convenient. Please refer to the course description pages in this brochure as a reference. Classes are offered in a grouping of levels, however you will still need to determine which class level is appropriate for your child. If your child is able to complete all of the skills listed under a particular level within their age group, they would need to be registered for the next class level higher.
- ◆ **Pick a session, pool and time.** Confirm with your family's calendar, as cancellation and transfers can add fees. Registration at least two weeks prior to the session start date is recommended.
- ◆ **Register.** Complete the registration form (one per participant per session) and fax, mail or register in person. Please make checks or money orders payable to the City of Austin or charge by using Mastercard or Visa. Credit card payments may be faxed to (512) 974-9344 or (512)476-3048. Separate checks are recommended for each participant and session to avoid any delay. All returned checks will be charged a \$25 service fee. Please be aware that registration forms will not be accepted prior to the registration date displayed above and phone registrations are prohibited.

Class Cancellation, Transfer, Refund Policy:

♦ **Customer Cancellation:** If you cancel your class PRIOR to the FIRST DAY of your scheduled class you will receive a refund minus a \$10.00 cancellation fee. Please allow 4 to 6 weeks for a check refund. In lieu of a refund a voucher may be requested which is valid for one year for any instructional swim program.

♦ **Aquatic Division Cancellation:** Classes with fewer than the minimum enrollment that cannot be combined with another level will be cancelled and full refunds or vouchers will be issued. If your class is cancelled due to lack of registration, you will be notified by phone the week before the start of the session.

♦ **Transfers:** If you need to transfer your child out of one class/session into another class/session PRIOR to the FIRST DAY of class you will be charged a \$5.00 transfer fee.

♦ **Refunds:** Refunds are permitted in the case of Aquatic Division class cancellations, unforeseeable medical situations or family emergencies only. Refunds will not be issued due to scheduling conflicts or vacations so please be sure to check your schedule before registering for a class. There are no refunds if you withdraw on or after the first day of class.
